4W LED 35mm Dimmable Candle Clear - BC, 2700K

Notes

Emitting a crisp white light, the dimmable LED candle is an ideal replacement for standard incandescent candle lamps. Equivalent to approximately a 25W class G candle means approximately 80% saving on running costs. Tested with following dimmers:

* Crisp white light. * Instant start with no warm up needed. * Aluminium heat sink for efficient heat dissipation combined with modern design. * Built in refraction lense for even light distribution * Available in E14, B15 and B22 caps.
